Description

The Foreign Trade Chamber of Bosnia and Herzegovina (FTC) is an association of BH companies, producers, and service providers in various business sectors across the country, which are also registered for foreign trade activities (imports and exports), with a 110-year tradition of existence and continual work. The FTC's mission is to create network platforms for its members, to represent their interests before the authorities of Bosnia and Herzegovina as well as before relevant associations abroad, to achieve a more favourable business environment, improving and increasing the competitiveness of domestic products and services at local and foreign markets under conditions of market liberalization. FTC also has the mandate of the Bosnia and Herzegovina Export Promotion Agency (BHEPA) to develop and expand export markets by promoting products and capabilities of the country internationally.
