Bilateral Meetings

- (1:00p.m. - 4:00p.m.)

Description

City of Laktaši is recognizable as a place that favor private initiative and all kinds of small and medium enterprises, and our aim is to additionally improve local business environment, using constant and effective dialogue with private sector. We want to show openness and readiness towards our Entrepreneurs, to be their partners on the road of development of city and increase competitiveness of our enterprises. Work of Administration is based upon constant cooperation and communication with citizens and entrepreneurs, so we can adapt all of our activities to the real needs and situation on the ground.
